

Product Datasheet

Materials

Shell: 600D recycled polyester with water-repellent coating. Lining: 210D nylon. Hardware: powder-coated aluminium.

Dimensions

See the product page for the exact dimensions of each model.

Testing

Seams load-tested to 25 kg. Zippers rated for 10 000 cycles. Colourfastness tested to ISO 105-B02.

Compliance

REACH compliant. Free of PFAS-based water repellents.
